

Capital City Auto Recyclers Certificate of Warranty

1. We offer a standard warranty of 90 days on mechanical parts from date of invoice.
2. Warranties are not transferable.
3. Extended warranties are available for most parts at an extra cost. Extended warranty must be purchased at time of sale.
4. There will be no reimbursements given for any labor charge, part replacement, or any other costs resulting in the purchase of our part(s), unless a extended labor warranty has been purchased with the part.
5. Capital City Auto Recyclers will not be responsible for any costs resulting from the purchases of our parts, including but not limited to any lodging, towing, rental vehicles, labor, maintenance.
6. "Pre-Installation Maintenance Tags" must be complied with to insure complete warranty coverage.
7. Any warranty claims will be required to have proper maintenance records and receipt documentation for the parts installed.
8. In the event there is a problem with an engine or transmission, please contact us prior to removal or repair of the part(s). We reserve the right to inspect our parts or have 3rd party warranty inspection for warranty replacement and have the labor performed at the facility of our choice. We reserve the right to inspect the installation of the parts purchased from us to determine proper warranty action or replacement at our discretion. We may decline warranty coverage if we deem installation may have caused part failure.

9. Any extended warranty work must be presented to us in form of a written estimate, and be submitted to us prior to the work to be performed. Labor warranties are paid up to \$45.00 per hour and reimbursements will not exceed \$400.00 regardless of labor cost.

10. Used engines are guaranteed against excessive smoking, rod knock, and excessive oil consumption.

11. Used engines are not warranted against oil leaks, seals, gaskets. Gaskets, seals and filters must be replaced to insure warranty coverage. Customer responsible for maintaining proper fluid levels, maintenance & service records.

12. A proper tune-up should be completed upon installation, including but not limited to spark plugs, plug wires, cap, rotor.

13. External engine parts such as exhaust manifolds, intake manifolds, distributors, coils, sensors, fuel injection components, water pumps, hoses, and belts are not warranted. We provide these for installation convenience.

14. Timing belts, chains, gears, mechanical tensioners, idlers/pulleys, gaskets are not warranted and must be replaced to insure warranty coverage.

15. Any claims resulting from improper installation, abuse, accident, improper maintenance, parts used for commercial, racing, or industrial use will void all warranty coverage.

16. All engines and cylinder heads come with heat tabs installed, warranty is void if heat tabs are melted, removed, or tampered with.

17. Automatic Transmissions are warranted against slippage, and to be in proper working order. Many vehicles may require reprogramming or computer codes cleared prior to installation. Many automatic transmissions are sold without oil filters installed to ensure part is properly installed/replaced with new filters, gaskets, seals.

18. Transmission coolers, lines, radiators must be flushed before installation.

19. Improper installation such as improper cable adjustment, damaged pump, low fluid levels, leaks, improper fluid types, improper installation, failure to install new transmission filter kit, seals, gaskets will void all warranties.

20. Transmissions are not warranted against fluid leaks, gasket leaks, seal leaks.

21. Manual Transmissions are guaranteed to be in working condition, they must have new clutch, throw out bearing, pilot bushing, seals installed upon installation. Proper fluid type and capacities must be maintained. Gear damage will be considered as damage caused by abuse of part.

22. Capital City Auto Recyclers limits its liability to the value of the cost of goods sold. We will not be responsible beyond the value of defective parts, or goods.

23. All returns may be subject to a 25% restocking fee.

24. All freight/shipping charges will be paid by buyer, buyer will be responsible for shipping from refused items. Special orders from other recyclers are not returnable unless it is a mechanical warranty item.

25. All cores must be returned in the same condition and type as part purchased, and be the same as the item purchased. All engines must be returned complete

26. Capital City is not responsible for any injuries, accident, damages, additional costs or death resulting from the purchase of their parts or goods sold.

27. All tires are sold as is with no warranty implied, purchaser assumes any and all risks associated with the purchases of used tires. Used tires are non-refundable or returnable.

28. All airbags and airbag components are sold "as is", non-returnable, the purchaser assumes any risks associated to any incorrectly installed airbags. Including risks of personal injury or death. The installer of a recycled airbag is required to test the airbag system to insure proper functions.

29. Suspension components such as tie rods, replaceable ball joints, bushings, are not covered under warranty and should be inspected by installer for safety prior to installation.

30. All returns/core returns must be returned within 30 days of purchase. Parts must be undamaged, and in same condition as sold. Core charges are refundable if returned within 30 days. We reserve the right to inspect returned parts and accept them at our own discretion.

31. Body sections that have been cut for an order are not returnable or refundable. Customer responsible for marking or submitting cut sheet for body cuts prior to removal.

32. All electrical parts are as is no return or warranty guarantee. Engine/Transmission Computers, Electronic Modules, Radios may require VIN programming by dealer or qualified mechanic to insure proper function. Capital City Auto Recyclers will not reimburse for any additional costs resulting from the purchase of these items. Please contact your mechanic or dealer for any additional information pertaining to installation of these items.

33. Any return, core charge, warranty claim must be accompanied with our company receipt documentation.
